Church Support.

The revenues of the Church are derived solely from the voluntary contributions of the congregation. The financial plan adopted by the Official Board is the Envelope System of Weekly Offerings. Upon receipt of this card the Treasurer will be glad to furnish any member of the congregation with envelopes properly numbered, in which they may place their contributions for the support of the Church. An account will be opened with each contributor. It is earnestly desired that all members of the congregation shall assume their share of the annual cost of maintaining the Church.

Church Sittings.

The pews in our church are all free. Sittings are assigned to all who apply for them, with an effort to avoid any unjust discrimination. The ushers will, as far as possible, place families in the pews they desire to occupy, and individuals in the sittings they refer; and will endeavor to reserve such seats for their customary occupants until the beginning of the services, and after which time the seats are at the disposal of the ushers.
